DAY 1 - IZMIR

With an one hour flight from Istanbul to IZMIR, our first day will give us the chance to enjoy the warm welcome of Turkey.

After freshening up in our 5 star Hotel in the center, we will meet for the paper work and then make a relaxed pace of walk from our hotel to the Pier, to one of the finest restaurants in town.

After a late breakfast we will leave our hotel nearly lunch time and start to ride away from the hustle of the city ascending remote curvy mountain roads.

After some adventurous mountain roads we will descent to Karaburun Haven. The peninsula, which has more than thousand years of history and known as "Windy Mimas" in Odyssia, the famous work of Homeros.

There we will have a wonderful plate, fresh from the sea and will enjoy our meal beneath a crystal clear waterfront.

DAY 2 - ALACATI

After lunch we are going to ride the coastal road of the peninsula towards ALACATI on a scenery curvy road.

As deep blue sea embraces the cute town ALACATI, the windmills and the streets are accompanied by cobblestone houses with begounville's hanging through the windows.

That night we will stay here in one of the finest spots as we remember to have a wonderful evening stroll.

Today our first visit will be to EPHESUS, which city was famed with Temple of Artemis and it is one of the Seven Wonders of the Ancient World.

Second stop will be Mother Mary's House, where Mary may have spent her last days.

And after riding on twisty roads we will finally arrive to old Sirince village which is famous for its olive, fruit wines, and other natural products.

DAY 4 - MARMARIS

In our fourth day, our destination leads us through Carian Land. A civilization with reference to young women playing arps.

This inclination to art is intelligible. The peaceful roads, the deep blue sea, artistic images of rocks, the flora.

After a wonderful day, we will accommodate at Marmaris and get a special dinner which is prepared for us.

Today, we will pass famous peninsula of the Carian Route. And one of the highlights of today is the boat excursion at Dalyan. Forget your bike for a couple of hours, and let the captain take you for an amazing trip.

After lunch, it is time to leave Dalyan and continue to ride on the curvy roads which lead us to cute town Fethiye.

No hustle, no stress, only rubber trees and Begonvilles.

Here we have a very fine dinner and plenty of time to stroll the town.

DAY 6 - OLYMPOS

After breakfast, we will climb to Mount Babadag to enjoy freedom of paragliding. With the combination of adrenaline and silence, the beauty of Oludeniz will impress us in this one of the most popular paragliding point.

After our activity time, we ride for a delicious lunch at Kas and then hit the road again for “Master of Curves” of the Mediterranean Riviera.

It is time to have a sportful ride. Enjoy the scenery and tap out the rhythm of curves with the Mediterranean waves.

Finally our destination is
OLYMPOS, named by the
Achaean civilization.

Where Bellerophon and his
horse Pegasus fought against
the Dragon. Where the
Dragon buried, still breathes
its fire at Chimera.

Our hotel is situated in the
middle of nature with a view
of beach embracing crystal
clear water.

Something hard to describe,
where the words just miss.
The place is OLYMPOS.

DAY 7 - ANTALYA

In our last riding day, the route Sea to Sky is waiting us. We will leave Mediterranean behind us and start to climb to Mount Olympus following dozens of curves. After riding with an amazing scenery we will have a lunch at Altinyaka.

Then, we will continue our ride to Geyikbayiri, which is the largest Rock Climbing spot in Turkey. During our coffee break we will have time to experience this amazing sport.

End of the day we will arrive to BMW Motorrad and drop the bikes. We will stay in Antalya.

This morning we will fly to Istanbul and after check-in to our hotel we will go out for a walking tour at old city. By visiting various highlights we will learn lots about the history and beauty of this city...

In the evening we will have a Bosphorus sunset cruise on a luxurious yacht and after enjoying our cocktails we will drop in one of the best restaurant for an unforgettable dinner. At the end of the night we turn back to our hotel.
